

# Summer Student Research Seminar Series

---

Many of Mercer's undergraduate students participate in science research experiences over the summer either as part of the on-campus Mercer University Biomedical Scholars (MUBS) training program or as participants in Research Experiences for Undergraduates (REU) at other research institutions across the country. Please join us as these students present their research from this past summer and discover all the science research possibilities available to undergraduate students.

## Seminar Schedule:

**Thursday, Sept. 16<sup>th</sup> @ 12:15 pm:**

**Arturo Holmes (REU) and Daniel Bolt (REU)**

**Monday, Sept. 20<sup>th</sup> @ 10:00 am:**

**Yogi Patel (REU) and Raleigh Godsey (MUBS)**

**Thursday, Sept. 23<sup>rd</sup> @ 12:15 pm:**

**Gabriela Law (MUBS) and Samantha Paluck (MUBS)**

**Monday, Sept. 27<sup>th</sup> @ 10:00 am:**

**Maya Robinson (MUBS) and Clem Bell (MUBS)**

**Thursday, Sept. 30<sup>th</sup> @ 12:15 pm:**

**Jaheem Joseph (REU) and Ayana Smith (MUBS)**

**Monday, Oct. 4<sup>th</sup> @ 10:00 am:**

**Chris Kirkland (REU) and Jasmine Fuller (MUBS)**

*All seminars will be held in the Willet Science Center lecture hall.*

Sponsored by the Mercer University Biomedical Scholars (MUBS) program  
and the Chemistry and Biology Departments

**MERCER**  
UNIVERSITY
